South Lanarkshire College is at Marley Eternit.

Published by Lucy Cowan [?] · 9 December 2018 · Burton upon Trent ·

Our roof, slate and tiling apprentices paid a visit to a concrete roof tile plant at [Marley Ltd](#) in Bishopbriggs.

Students saw the process involved in creating the products used on roofing projects in Scotland. Marley's plant is state-of-the art and produces thousands of roof tiles a day so it was a great opportunity for our students. Thanks Marley.
