STUDENT LETTER TO THE PRINCIPAL

Dear Principal,

I've just successfully finished my third year at South Lanarkshire College and I wanted to take a minute to thank yourself and the staff at the College. When I finished my HNC, I had no plans to leave my studying any further. However, three years later, I have achieved something I never thought or believed possible.

My lecturers encouraged me to work as hard as I can and achieve excellent results. They were always on hand to offer advice and help with any subject that posed any difficulties. Their dedication to their job, their knowledge and skills as lecturers and mentors, have enabled me to achieve more than I could have imagined.

The learning experience has developed my understanding and allowed me to make the connection to the real world.

People are often quick to complain (myself included) but slow to praise. I think the staff deserve huge credit for the hard work, dedication and the real and substantive impact they have had on my life at SLC. I will really miss attending classes and learning from them.

I have greatly enjoyed my time at SLC. It provides a fun and vibrant learning environment which encourages personal development and growth. I wanted to thank you for creating this environment and allowing me to be a small part of it.

David Rogers,
David

SLC South Lanarkshire College
East Kilbride

“impressive student outcomes, positive student destinations, outstanding value for money, excellent quality culture and leadership”

As we've grown, we've also reduced our reliance on fossil fuels and other carbon-rich sources of energy

In 2018 we generated 145,588 kWh from solar panels and heat pumps on our campus. This energy could power 39 average-sized electric cars for a year, assuming each travelled 10,000 miles!

Our carbon footprint

2014-15	1,449t
2015-16	1,255t
2016-17	1,135t
2017-18	97t

SUSTAINABLE BEHAVIOURS
